Dear Dr. Omar Abadi,

ABC Health is honored to have received an invitation to provide a letter of support for the National Heart, Lung, and Blood Institute (NHLBI) *CAIRS: Clean Air ImpRovement Solutions* grant.

**At this time, the organization does not have the capacity to pursue this grant opportunity.** We encourage you to continue engaging with our organization so that we may be better poised to collaborate on a future grant submission that aligns with both our goals and timelines.

We wish you the best of luck with this grant submission.

Sincerely,

*Maria Hernandez*
